10th Annual
Great River Race

Race to Close the Opportunity Gap  September 7-17, 2020
Virtual Celebration  September 17, 2020 @ 7pm
EVERYONE BELONGS IN THE OUTDOORS. Your sponsorship connects kids to educational programs in the outdoors through Wilderness Inquiry’s Canoemobile program. Canoemobile works with more than 15,000 Minnesota youth annually through our “floating classroom” to help improve school performance, cultivate a stewardship ethic, and create pathways to higher education and career opportunities in the outdoors.

A Race for Our Future
• Our goal to raise $60,000 will directly address the opportunity gap through place-based education.
• Together we will connect youth to programs that engage students in the outdoors.

A Race for You
• We’re bringing together our community to share all of the ways we engage with the outdoors!
• Build a team or compete solo in the 10-day Challenge to get outside and share your favorite outdoor activities with your friends, family, and colleagues.
• Join us on September 17 for a Virtual Celebration showcasing youth participants, challenge winners, sponsors, and our outdoor community.

Past Sponsors
Dear Friends,

The long term health and vibrancy of our region depends on the strength of our future work force. While students in Minnesota traditionally perform at the top of standardized tests, we have one of the nation’s largest disparities between students of color and their classmates.

All students deserve the chance to reach their full potential. We know that providing educational enrichment opportunities through creative programs like Canoemobile can make a big impact on student success. By getting kids out in canoes on the Mississippi River and providing nature-based learning experiences, Canoemobile helps stem summer learning loss while creating memories that last a lifetime.

Please join us in supporting Canoemobile by getting involved in the Great River Race today.
